This is the 14th annual doubles tournament in memory of **Steve Karam** and **Dick Williams** who both played for many years at our facility. They were outstanding racquetball players and friends. This tournament is not only to celebrate their lives, but the pleasure we all receive from playing racquetball and the enjoyment of friends.

All proceeds in excess of expenses will be donated to **Hospice of Wake County**. Hospice of Wake County, a private, non-profit agency that is Medicare certified and JCAHO accredited, has been providing care to terminally ill patients and their families since 1980.
